

Bringing out the good in people starts with bringing out good people.

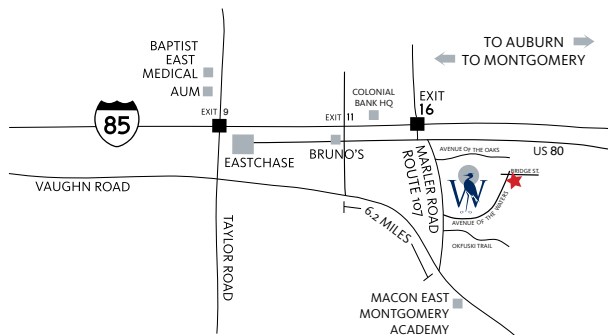

Our residents, like us, maintain a strong commitment to the greater community.

On **Saturday, May 9**, The Waters is proud to host **Kid One's Wheelin' and Healin' bike rally** to benefit their ongoing mission to transport disadvantaged children and expectant mothers to medical care. Riders will participate from all over the state and our residents will be there to cheer them on as they cross the finish line.

It's just one more example of the solid sense of community to be found here. If you dream of living amongst neighbors who care as much as you do, maybe you should find yourself here too.
